‘Fairview’ and the Pattemore family.
John and Emily Pattemore moved from Tilba Tilba in N.S.W. to Maleny in 1907. Drought in N.S.W. had forced many farming families to seek dairying farmland where there was more reliable rainfall.

The Pattemores farmed this land for 41 years. The property has seen continual use as farmland until the purchase of the farm in 1995 by the Caloundra City Council and Porter’s farm in 2004.

Historic “Fairview” Pattemore House is open to the public on the last Saturday of the month from 1-4pm.

In 2006/7 the Caloundra City Council undertook a study for the development of the Maleny Community Precinct. In June 2010 the detailed Master Plan was endorsed by the Sunshine Coast Regional Council.

The Maleny Trail is just one of the exciting outcomes of the unique Maleny Community Precinct.

Trees along the trail.
The Maleny Green Hills Fund and Barung Landcare, have planted in excess of 18,000 trees and native plants along the creek and Trail.

Unitywater has developed irrigated hill forests and the Northern wetlands habitat. It has organised some tree plantings in conjunction with the Maleny Green Hills Fund, Barung Landcare and Maleny school students.

The Maleny Golf Club has undertaken tree plantings and the introduction of endangered butterfly plants. It has also supported Councils plantings in the Southern wetlands.

In all some 54,000 trees have been planted in the Maleny Community Precinct and along the Maleny Trail.

Entry to Maleny Showgrounds

Dogs.
There is a park within the Maleny Showgrounds that is an “off leash at all times area” subject to owners still controlling their dog.

The Maleny Trail and Cloudwalk pathway are public spaces where dogs must be on leash at all times.
